Island Health & Fitness Class Descriptions

BODYPUMP™ Challenge yourself with the original barbell class that strengthens and tones your entire body (tickets available 30 min prior to class)

BODYSTEP™ Feel liberated and alive with the energizing step workout that pushes fat burning systems into high gear.

BODYSTEP Athletic™ Combine basic stepping with moves like burpees, push-ups, and weight plate exercise to work the upper body.

RPM™ The indoor cycling workout where you ride to the rhythm of powerful music to a calorie-burning endorphin high (tickets available 30 min prior to class)

BODYFLOW™ is the Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm.

BODYATTACK™ is the sports-inspired cardio workout for building strength and stamina. This high-energy interval training class combines athletic aerobic movements with strength and stabilization.

Les Mills Tone combines blocks of strength, cardio and core training into one complete and convenient workout. This workout includes a mix of exercises to work the whole body and elevate the heart rate

ABBs (Abs, Back & Butt)-This class focuses on the core stability muscles in the abdominal and low back region. Each class focuses on form, the technique involved in toning, and building strength in this area.

Bootcamp—Calisthenics/Cardio/Body weight and hand held weights are used to target major muscle groups. Format and routine change weekly to increase challenge. Instructor acts as a coach to ensure proper technique and alignment.

Cardio Dance—Come groove to a broad range of musical genres! Tracks include both high and low intensity intervals to provide non-stop cardio training for maximum calorie burning from start to finish. Choreography is fun, energetic, and easy to follow.

Core-N-More -Strength training using free weights, stretch bands, and medicine balls. Along with sitting or lying on a stability ball to encourage core strength through out. Followed by stretching.

CRC Yoga - A blend of stretching, relaxation, healing visualization, and meditation in a supportive group environment. Free to clients of the Cancer Resource Center of the Finger Lakes.

This program hones in on the torso and sling muscles that connect your upper body to your lower body. It's ideal for tightening your tummy and butt, as well as improving functional strength and assisting in injury prevention. (NEW!)

Anusara Elements Yoga —An all levels class, this alignment-based, heart centered practice is playfully designed to develop strength and flexibility in body and mind.

Cycling & iPsyclin- (tickets available 30 min prior to class)

We take you over imaginary hills and valleys, challenge you to some surges and some tough spots, capitalizing on aerobic and anaerobic intensity, all to great music.

FAB (low impact)-Low-impact cardio class designed to increase your endurance, flexibility, balance and coordination, strength and toning.

Flex-N-Core— This class is 30 minutes long focusing on core muscles and stretching. Excellent class to gain strength and stability for the core muscles.

Free Style Yoga— A multi-level vinyasa class that blends alignment, qi gong and breath.

Integral Yoga - Integrated physical poses and stretches, relaxation and breathing exercises, and guided meditation to improve flexibility, raise and balance energy levels, and release stress. Appropriate for all.

Iyengar Yoga - Enjoy the clarity of step-by-step instruction in how to position your body in a variety of yoga poses. When the physical alignment is correct, muscles work more efficiently, the breath frees up, and relaxation becomes deeper.

Kripalu Yoga- In Sanskrit, the word "Kripalu" translates as "compassion." In this class, we will develop our yoga practice with a focus on the specific needs of each individual's body. These classes are designed for every level and will improve strength, flexibility and balance.

Island Health & Fitness Class Descriptions

MBSR - (Mindfulness Based Stress Relief) The Stress Reduction Program is an 8-week course that instructs participants in mindfulness meditation and stress reduction practices.

Midday Power Yoga—Come to move, breathe and sweat in a way that leaves you feeling energized and strong! We will work on core activation, balance, alignment, muscle strength and mobility.

Pilates—A method of exercise, which aims to encourage the use of the mind to develop core postural muscle strength, stability and flexibility resulting in more efficient and graceful movement. Pilates focuses on quality over quantity using proper alignment, centering, concentration, control, precision, breathing and flowing movement to work deep core muscles. Pilates appeals to a wide range of people from all walks of life and fitness levels including athletes, seniors, dancers, to name a few. People who practice Pilates report that the main benefits of Pilates are becoming stronger, leaner and more graceful and efficient with their movement.

PiYo Live—PiYo combines the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility advantages of yoga. And, we crank up the speed to deliver a true fat-burning, low-impact workout that leaves your body looking long, lean, and incredibly defined.

Power Vinyasa-A flowing set of yoga postures that together help balance and open the body. Postures are linked together with intelligent sequencing and the flow is guided by Ujjayi breath. Please bring a towel.

RUMBLE Rumble is an authentic, easy to master, maximum cardio, mixed martial arts workout! In Rumble, we draw inspiration from a variety of fighting styles and also the weapons that several of these styles use in training. We will use the Rumble Stick, which will allow participants to achieve a higher degree of training by simulating the same movements as the Eskrima Stick, Bo Staff, sword, and knife. Rumble has been created for EVERY body! No martial arts experience required, just a willingness to sweat, a desire to get an incredible workout, and the willingness to have fun along the way!

Sivananda Yoga-A vitalizing sequence of asanas and pranayama works to align the chakras and increase the natural flow of energy which leaves us renewed and relaxed, while increasing the strength and flexibility of the body and the mind.

Slow Flow-A class made to build foundation, strength, and stretching in a simple way that is accessible to all levels of experience. An equal amount of support and challenge will be offered in the class including some slow flow to begin, standing postures, seated postures, and relaxation.

Spinyasa-An amazing combination of invigorating cycling, followed by the power and lengthening of vinyasa yoga, ending with meditation. 45 minutes of each. Come for one or both!

Strength & Roll (55 min)- A full body strength training class, including 10-15 minutes of targeted foam rolling and stretching at the end of class.

Tai Chi-Tai Chi Chuan is a Chinese martial art used to develop coordination, balance, posture and strength through relaxed and continuous whole-body movement.

Triple Threat—A 45 minute class fusing Cardio, Strength, and Core training through a variety of low impact, high intensity exercises. Motivated by a variety of fun, energetic music, this total body workout will have you sweating and burning lots of calories as you boost your heart rate, tone your muscles, and strengthen your core.

Yoga Unwind—A slow flow yoga class designed to help you unwind. Level 1/2 class.
